PRODUCT

Bio Energizer

Live Healthy and Happily

Through the processing procedure of Nano-tech, Impure Infrared Rays are eliminated and the pure soft clean FIR wave length that are nearest micro element of human needs are retained.

By the principle of reduction oxidation this Card will be able to release the energy, to radiate Far Infrared and all the helpful energy that are profitable to human. It promotes the speed of blood flow, improves metabolism and increase the natural cure ability of human body.

Functions and Use

- Keep in pocket, improves the body micro-circulation.
- Helps in recovering from fatigue.
- Removes the body odour.
- Put beside the socks, it energizes the Feet.
- Put near the wound, can help in relief from the pain.
- Put in Cigarette box, can make them softer.
- Put beside the pillow, can improve your sleep.
- Put in the car, to improve air quality.
